1. Prep crust

Preheat oven to 350°F with a rack in the lower third.

Set aside **1 pie dough** at room temperature until soft enough to unroll without cracking, 10-15 minutes (save rest for own use). Unroll into a 9-inch pie dish; pinch together any open seams or holes. Press dough into bottom and sides of dish. Using a fork, crimp dough around rim of dish.

4. Cook asparagus

In a medium skillet, melt **2 tablespoons butter** over medium heat. Add **onions** and **a pinch of salt**; cook, stirring occasionally, until softened, 5-7 minutes. Stir in **sliced asparagus spears**; cook until bright green and crisp-tender, 2-3 minutes. Season to taste with **salt** and **pepper**; set aside to cool slightly.

2. Blind-bake crust

Place pie dish on a rimmed baking sheet. Line inside of **crust** with aluminum foil, pressing so it conforms to dough. Fill to the brim with pie weights.

Bake on lower oven rack until crust is fully set and golden around the edges, 60-75 minutes. Remove from oven; carefully remove foil and weights.

5. Mix custard & assemble

In a medium bowl, whisk together **mascarpone** and **2 large eggs** until smooth. Whisk in **lemon zest, chives, ½ cup milk, ½ teaspoon salt**, and **¼ teaspoon pepper** until combined.

Evenly spoon **asparagus mixture** over **crust**, then add **half of the salmon**. Evenly pour **custard** over top. Arrange **asparagus tips** and **remaining salmon** in a single layer over top.

3. Prep ingredients

Meanwhile, finely chop **onion**. Finely chop **chives**. Zest **all of the lemon**.

Cut or tear **salmon** into 1-inch pieces.

Trim and discard tough ends from **asparagus**. Cut tips from asparagus; set aside. Slice spears into ½-inch thick pieces.

6. Bake & serve

Bake on lower oven rack until filling is set and no longer wobbly, 45-55 minutes.

Let **quiche** cool at least 15 minutes before serving (or serve at room temperature). Enjoy!
