### 1. Prep ingredients

Preheat oven to 425°F with a rack in the center. Line a rimmed baking sheet with parchment paper.

Remove and discard stems from **collard greens**; chop leaves into 2-inch pieces. Thinly slice **tomato**. Finely chop **2 teaspoons garlic**.

Heat **1 tablespoon butter** in microwave until melted, 30-60 seconds.

### 4. Add beans

Drain **beans**, reserving **¼ cup liquid**. Add **beans, bean liquid, and 2 tablespoons butter** to **pot with collard greens**.

Partially cover and cook over medium-low until liquid is reduced and nicely coats the greens and beans, 10-15 minutes. Season to taste with **salt and pepper**.

### 2. Start collards

Heat **1 tablespoon oil** in a medium Dutch oven or pot with lid over medium-high. Add **garlic** and **collard greens**. Cook, stirring as needed, until greens are wilted and beginning to tenderize, 3-5 minutes. Add **vegetable broth concentrate** and **½ cup water**. Reduce heat to a simmer (medium to medium-low) and cover. Cook until greens are tender, about 20 minutes.

### 5. Poach eggs

Fill a medium saucepan with 2 inches of water; bring to a simmer. Crack **1 large egg** into a small bowl.

Stir the simmering water to create a whirlpool and carefully add the egg. Repeat with remaining eggs. Simmer gently until whites are set but yolks are still runny, 2-4 minutes. Transfer poached eggs with a slotted spoon to a paper towel-lined plate.

### 3. Bake biscuits

Meanwhile, in a medium bowl stir **biscuit mix** with **¼ cup milk or water**. On prepared rimmed baking sheet, drop **biscuit dough** into 2 rounds, about 3-inch wide and 1½-inch tall. Brush **melted butter** over top and season with **a few grinds of pepper**. Bake biscuits on center oven rack until golden brown, 15-17 minutes. Let cool.

### 6. Assemble & serve

Add **hollandaise** to a small microwave-safe bowl and heat in the microwave until warmed through. Stir in **2 teaspoons Cajun spice**.

Halve **biscuits** horizontally. Top with **sliced tomatoes** and a **poached egg**. Spoon **hollandaise** over **eggs** and serve with **stewed collards and beans** alongside. Enjoy!
