## THIS IS A CUSTOMIZED RECIPE STEP

We've tailored the instructions below to match your recipe choices. Happy cooking!

### 1. Prep shrimp

Rinse **shrimp** and pat very dry. Season all over with **salt** and **pepper**.

### 4. Fry shrimp

Heat **¼-inch oil** in a medium nonstick skillet over medium-high until shimmering. Working in batches so as to not overcrowd the pan, add **shrimp** and fry until deeply golden brown, 1-2 minutes per side. Transfer to a paper towel-lined plate and immediately sprinkle with **schichimi togarashi**.

### 2. Prep veggies

Grate **carrot** on the large holes of a box grater. Strip **kale leaves** from tough stems; discard stems and thinly slice leaves.

Transfer **edamame** to a microwave-safe bowl, cover with a damp paper towel, and microwave until beans are warmed through, 1-2 minutes.

Coarsely chop **almonds**.

### 5. Toss salad & serve

Pick **mint leaves** from stems and coarsely chop; discard stems. Toss **kale, carrots, and mint** with **sesame dressing** (optionally add **1 teaspoon vinegar** if dressing is too sweet). Season to taste with **salt** and **pepper**.

Transfer **salad** to plates and top with **edamame, almonds, and crispy shrimp**. Enjoy!

### 3. Coat shrimp

In a medium bowl or plate, combine **panko** with **sesame seeds**. Working one at a time, add **shrimp** to panko mixture and press lightly so panko sticks to shrimp. Transfer to a second plate and repeat with remaining shrimp. Return shrimp to bowl and coat with another layer of panko, pressing lightly to help breading adhere.

### 6. Spice it up!

Add some spice to this dish by drizzling on Sriracha or sprinkling it with red pepper flakes.
