THIS IS A CUSTOMIZED RECIPE STEP

We've tailored the instructions below to match your recipe choices. Happy cooking!

1. Prep ingredients

Preheat broiler with a rack 6 inches from the heat source.

Pat **salmon** dry and rub with **oil**. Sprinkle all over with **salt, pepper**, and **taco seasoning**.

4. Prep lime & make crema

Finely grate **half of the lime zest** into a small bowl; then squeeze in juice from half of the lime. Cut remaining lime into wedges.

Add **sour cream** to bowl with lime zest and juice; thin with **2 teaspoons water**. Season to taste with **salt** and **pepper**.

2. Broil salmon

Transfer **salmon** to a rimmed baking sheet, skin side down. Broil fish on top oven rack until just medium and browned in spots, flipping fish halfway through, 4–6 minutes total. Break salmon into 6 strips, discarding skin if desired.

5. Warm tortillas

Wrap **tortillas** in a damp paper towel and microwave for 30–60 seconds to warm through.

3. Make pineapple salsa

While **fish** is broiling, finely chop **½ cup onion**. Trim and finely chop **radish**.

In a small bowl, combine **pineapple** and **any juices** and **chopped onions and radishes**. Season to taste with **salt** and **pepper**.

6. Finish & serve

Halve and finely slice **lettuce** into thin ribbons; discard ends.

Spread **crema** over **tortillas**. Top with **shredded lettuce, salmon, pineapple salsa**, and dollop with **guacamole**. Serve with **lime wedges** alongside for squeezing over top. Enjoy!
