

## Harissa Trout & Roasted Zucchini

with Pearl Couscous & Almonds

 30-40min  2 Servings

Bursting with flavor, harissa adds heat, depth, and overall savoriness to everything it touches. We make a colorful oil with the Moroccan spices to coat delicate steelhead trout filets that roast with zucchini and onions. Large pearl couscous steams into a fluffy, nutty side dish while we whip up a lemon-harissa dressing to drizzle over everything.
