1. Prep potatoes

Preheat oven to 450°F with a rack in the lowest position. Scrub **potatoes**; prick all over with a fork. Place on a plate in a single layer and microwave until soft and easily pierced through the center with a knife, flipping halfway through, 5-10 minutes. Drizzle a rimmed baking sheet with **2 tablespoons oil**. Transfer **potatoes** to baking sheet and shake sheet to coat.

2. Roast potatoes

Using a small heavy skillet, firmly smash **potatoes** until about ½-inch thick. Season with **salt** and **pepper**. Bake on bottom oven rack until golden brown and crisp, flipping halfway, 30-40 minutes. Thinly slice **Brussels sprouts** crosswise into ribbons; discard ends. In a medium nonstick skillet, toast **almonds** over medium-high heat, 2-3 minutes; transfer to a plate. Reserve skillet.

3. Prep ingredients

Finely grate **2 teaspoons orange zest**. Into a small bowl, squeeze **¼ cup orange juice**; stir in half the orange zest and **1 tablespoon vinegar**. Remove peel and pith from **remaining orange**; cut flesh into ½-inch pieces. Pick **parsley leaves** from stems; finely chop. Finely chop **half the shallot**; thinly slice other half. Cut **4 tablespoons butter** into ½-inch pieces; keep cold.

4. Make salad

Finely grate **Parmesan**, if necessary.

In a large bowl, whisk together **mustard**, **remaining orange zest**, **1 tablespoon vinegar**, and **1 teaspoon sugar**. Gradually whisk in **3 tablespoons oil**. Add **Brussels sprouts**, **Parmesan**, **orange pieces**, **almonds**, and **sliced shallot**; toss well to coat and season to taste with **salt** and **pepper**.

5. Cook fish

Pat **fish** dry; season all over with **salt** and **pepper**.

In reserved skillet, heat **1 tablespoon oil** over medium-high until just starting to smoke. Add **fish**, skin side down. Gently press filets with a spatula, 10 seconds. Lower heat to medium and cook until skin is well browned and flesh is almost cooked through, 4-5 minutes. Flip **fish**; cook until just medium, 1-2 minutes more.

6. Make sauce; serve

Transfer **fish** to a plate. Add **chopped shallot** and **orange juice mixture** to skillet. Cook over high heat until reduced by half, 2-3 minutes. Remove from heat and whisk in **cold butter** until sauce is opaque and creamy. Add **parsley** and **capers**; season with **salt** and **pepper**. Serve **fish** with **butter sauce**, **potatoes**, and **salad**. Enjoy!
