

Harissa-Spiced Shrimp

with Herbed Quinoa Salad

20-30min

2 Servings

One of our favorite stove-top preparations for shrimp is cooking in a really hot cast-iron skillet. Here, shrimp goes from raw to cooked in just 3 minutes! Add butter and harissa spice to the pan with the cooked shrimp, and the pan sauce practically makes itself. We serve this buttery, spicy shrimp with a toothsome quinoa and spinach salad dotted with chopped apricots to make for the perfect sweet and savory bite.
