1. Cook rice

In a small saucepan, combine **rice**, **1¼ cups water**, and **½ teaspoon salt**, bring to a boil over high heat. Cover and cook over low, until rice is tender and water is absorbed, about 17 minutes. Remove from heat. Keep covered until ready to serve.

4. Steam broccoli

Cut **broccoli** into florets, if necessary, then microwave, covered, until crisp-tender, 2-3 minutes; season with **salt** and **pepper**.

Coarsely chop **peanuts**.

2. Prep pork

Heat **¼-inch oil** in a medium skillet over medium high. Pat **pork** dry and season all over with **salt** and **pepper**.

In a medium bowl, toss **cornstarch** with pork until evenly coated.

3. Fry pork

When **oil** is shimmering (oil should register 350°F; a pinch of cornstarch should sizzle immediately), working in batches if necessary, add **pork** in an even layer. Cook, flipping pieces occasionally, until golden brown and crisp, 4-5 minutes. Transfer to a paper towel-lined plate. Carefully transfer **oil** to a large heatproof bowl. Wipe skillet clean.

5. Make sauce

Heat **1 teaspoon oil** in same skillet over medium. Add **1 teaspoon gochugaru** (or more, if desired) and cook, stirring until fragrant. Add **Thai chili sauce**, **tamari**, and **2 tablespoons water**; bring to a simmer. Reduce heat to medium low and season to taste with **salt** and **pepper**.

6. Finish & serve

Add **pork** to **sauce** and toss until evenly coated. Thin sauce with water, 1 tablespoon at a time, if sauce is too thick. Season to taste with **salt** and **pepper**.

Fluff **rice** with a fork and spoon onto plates. Top with **firecracker pork** and **broccoli**. Garnish __ with **fried onions** and **chopped peanuts**. Enjoy!
