1. Prep equipment & batter

Preheat oven to 350°F with a rack in the center. Grease an 8-inch cake pan with nonstick cooking spray; line bottom with a round of parchment paper.

In a medium bowl, whisk together **cake mix** and ¼ **teaspoon salt**. Whisk in 2 **large eggs**, 4 **tablespoons melted butter**, and ½ **cup water** until smooth. Transfer **batter** to prepared pan.

2. Bake cake & make syrup

Bake **cake** on center oven rack until a toothpick inserted into the center comes out clean, 20–25 minutes. Let cool for 5 minutes.

In a liquid measuring cup, add **espresso powder**, 1 **teaspoon rum extract**, and ½ **cup each of sugar and hot tap water**. Whisk until sugar is dissolved.

3. Soak cake

Once cooled, lightly poke all over **cake** surface with a fork. Pour **coffee syrup** over top. Let set in fridge for at least 2 hours or overnight.

4. Whip mascarpone

In a medium bowl, combine **mascarpone**, ¼ **cup evaporated milk**, 1 **tablespoon sugar**, and ¼ **teaspoon vanilla**. Using a handheld electric mixer, beat on high speed until mixture holds stiff peaks. Keep refrigerated until ready to serve.

5. Assemble & serve

Crumble **cake** into 1-inch pieces. Divide some of the cake among 3–4 small glasses. Layer **some of the whipped mascarpone** over top. Repeat layers (save any remaining cake for own use).

Place 1 **tablespoon cocoa powder** in a fine-mesh sieve and dust over **tiramisu parfaits** before serving. Enjoy!

6. Prep ahead!

The mascarpone can be whipped and stored in the fridge up to 24 hours before serving.
