1. Prep equipment & batter

Preheat oven to 350°F with a rack in the center. Lightly **grease** a donut pan.

In a medium bowl, whisk to combine **¾ cup flour**, **½ teaspoon each of baking powder and warm spice blend**, and **¼ teaspoon salt**.

2. Make batter

Using a stand mixer or a handheld electric mixer, beat **5 tablespoons softened butter** with **½ cup granulated sugar** until pale and fluffy, 3–4 minutes. Add **1 egg** and mix to combine, scraping down sides of bowl as you go. While mixing, add **½ teaspoon vanilla** and **¼ cup apple juice** (batter may look lumpy). Slowly add **flour mixture** until just combined (do not over mix).

3. Bake donuts

Divide **batter** evenly among a 6-donut pan. Bake on center oven rack until firm to the touch, browned around the edges, and a toothpick inserted in the center comes out clean, 18–20 minutes.

4. Candy nuts

In a large nonstick skillet over medium heat, add **all of the nuts**, **⅔ cup packed brown sugar**, and **3 tablespoons apple juice**. Cook, stirring, until nuts are candied and dry, 8–12 minutes (sugar will melt but will slowly crystalize in the last few minutes of cooking). Transfer to a parchment-lined baking sheet; toss with **½ teaspoon each of salt and warm spice**. Let cool in an even layer.

5. Coat donuts

While **donuts** bake, in a medium bowl, stir to combine **remaining granulated sugar** with **¼–½ teaspoon warm spice blend**.

Once **donuts** are baked, immediately transfer to bowl with **cinnamon sugar** and toss to coat.

6. Serve

Transfer **nuts** to a serving bowl and serve alongside **donuts**. Enjoy!
