### 1. Make tomato salsa

Preheat oven to 450°F with a rack in the center. Cut **tomatoes** into ¼-inch pieces. Trim ends from **scallions** and thinly slice. Finely chop **2 teaspoons garlic**.

In a small bowl, stir to combine **tomatoes**, **half of the sliced scallions**, **1 teaspoon vinegar**, and **¼ teaspoon of the chopped garlic**. Season to taste with **salt** and **pepper**.

### 2. Crisp tortillas

Brush both sides of **tortillas** liberally with **oil**, then arrange in a single layer on a rimmed baking sheet. Bake on center oven rack until lightly browned, 3–5 minutes. Flip, pressing out any air pockets with a spatula, then continue baking until crisp and browned, 3–5 minutes more (watch closely).

### 3. Sauté aromatics

Heat **1 tablespoon oil** in a medium skillet over medium-high. Add **remaining sliced scallions**; cook, stirring, until softened, about 2 minutes. Add **all of the chorizo chili spice** and **remaining chopped garlic**; cook until fragrant, about 30 seconds.

### 4. Make refried beans

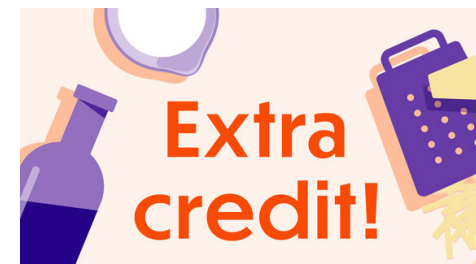

Add **beans and their liquid**, **1 teaspoon vinegar**, and **¼ teaspoon salt** to skillet with **aromatics**; bring to a boil over high heat. Reduce heat to medium-high and cook, coarsely mashing beans with a potato masher or fork, until liquid is almost evaporated, 5–7 minutes. Stir in **⅓ of the cheese**; season to taste with **salt** and **pepper**.

### 5. Finish & serve

Spread **refried beans** over **crisped tortillas**, then top with **remaining cheese**. Bake on center oven rack until cheese is melted, about 3 minutes.

Serve **bean and cheese tostadas** topped with **fresh tomato salsa**. Enjoy!

### 6. Be your own architect

We've given you the essentials, but make these tostadas your own by topping them with guacamole, sour cream, hot sauce, pickled shallots—the sky's the limit!
