1. Prep ingredients

Preheat oven to 350°F with a rack in the center.

Spread **almonds** on a rimmed baking sheet and roast on center rack until golden, about 10 minutes (watch closely as ovens vary). Line a 2nd rimmed baking sheet with parchment paper.

2. Make batter

Separate **1 large egg**; transfer **egg white** to a medium bowl (save yolk for own use) with **¼ teaspoon salt**. Using a hand-held electric mixer, whip **egg white** until stiff peaks form.

In a 2nd medium bowl, combine **⅓ cup condensed milk** (save rest for own use), **1 teaspoon vanilla**, and **¼ teaspoon almond extract** until smooth. Stir in **both types of shredded coconut**.

3. Bake macaroons

Gently fold **egg white** into **coconut mixture** until evenly mixed. Scoop **1 tablespoon-sized rounds of batter** onto prepared baking sheet, each about 2 inches apart.

Bake on center oven rack until bottoms are golden and **macaroons** are toasted all over, 20-25 minutes. Cool on baking sheet for 5 minutes, then transfer to a wire rack. Reserve prepared baking sheet for step 5.

4. Make ganache

While **macaroons** cool, in a small microwave-safe bowl, combine **chocolate chips** and **1 tablespoon each of oil and water**. Microwave until melted, about 1 minute (watch carefully); whisk until smooth. Set **ganache** aside to cool until slightly thickened, 5-10 minutes.

5. Decorate macaroons

Working one at a time, dip **macaroon bottoms** in **chocolate ganache** to thinly coat, then press **toasted almonds** to coat bottoms. Set on reserved parchment-lined baking sheet and repeat with remaining macaroons.

6. Finish & serve

To **remaining chocolate ganache**, stir in **1 teaspoon warm water** at a time until chocolate is runny (about 2 teaspoons). Using a spoon, drizzle **ganache** over **top of the macaroons** and sprinkle lightly with **salt**, if desired. Let **chocolate** set before serving **macaroons**, about 20 minutes. Enjoy!
