1. Cook quinoa

In a medium saucepan, bring **quinoa**, $\frac{3}{4}$ **cup water**, and $\frac{1}{2}$ **teaspoon salt** to a boil. Cover, reduce heat to low, and cook until water is absorbed and quinoa is tender, 15–18 minutes. Keep covered off heat until ready to serve.

2. Chop spinach

While **quinoa** cooks, coarsely chop **spinach** directly in bag with kitchen scissors.

3. Cook mushrooms

Preheat a grill or grill pan over medium-high. Drizzle **both sides of mushrooms** with **oil**; season with **salt** and **pepper**.

Add mushrooms to grill and cook until tender, flipping once, 10–15 minutes.

4. Finish quinoa

Working in batches, stir **spinach** into saucepan with **quinoa**, allowing to wilt slightly between each addition. Season to taste with **salt** and **pepper**.

5. Slice mushrooms & serve

Slice **mushrooms** into thick strips.

Serve **portobello mushrooms** over **red pepper pesto** with **quinoa** and **spinach** alongside. Enjoy!

6. Carb it up

Grill some crispy pita bread to scoop up any extra red pepper pesto!
