1. Prep asparagus

Bring a large pot of **salted water** to a boil. Trim ends from **asparagus**, then cut into 1-inch pieces.

2. Cook pasta

Add **1 cup orzo** to boiling water. Cook, stirring occasionally to prevent sticking, until very al dente, 7-8 minutes. Add **asparagus** to pot with orzo and continuing cooking until orzo is al dente and asparagus is bright green and just tender, 1-2 minutes. Drain, rinse under cold water, then drain again. Set aside until step 5.

3. Prep ingredients

Meanwhile, thinly slice **roasted red peppers**. Thinly slice **⅓ cup shallot**, then separate into rings. Coarsely chop **olives**, removing any pits, if necessary. Squeeze **1½ tablespoons lemon juice** into a large bowl; add **1½ tablespoons vinegar**. Cut any remaining lemon into wedges. Finely chop **2 teaspoons dill fronds and tender stems**.

4. Make dressing

Heat **¼ cup oil** in a small skillet over medium-high. Add **sliced shallots** and cook, stirring, until fragrant and slightly softened, about 1 minute. Remove from heat. Slowly whisk **oil** and **shallots** into bowl with **lemon juice and vinegar**. Whisk in **chopped dill** and **a pinch of sugar**; season to taste with **salt** and **pepper**.

5. Assemble salad

Add **cooked orzo, asparagus, chopped peppers**, and **olives** to bowl with **dressing**, tossing until well-coated.

6. Finish & serve

Serve **salad** with **feta** crumbled over top and with **any lemon wedges** on the side for squeezing over, if desired. Enjoy!
