1. Bake sweet potato fries

Preheat oven to 450°F with racks in the upper and lower thirds.

Scrub **sweet potatoes**; cut lengthwise into wedges. Transfer to a rimmed baking sheet and toss with **1½ tablespoons oil** and **a pinch each of salt and pepper**; spread into an even layer. Bake on lower oven rack until tender and browned in spots, rotating sheet halfway through cooking time, about 25 minutes.

2. Prep ingredients

Peel and finely chop **all of the onion**.

Finely chop **1 teaspoon garlic**.

Pick **cilantro leaves** from **stems**; finely chop leaves and stems, keeping them separate.

3. Cook black bean chili

Heat **1 tablespoon oil** in a medium skillet. Add **chopped garlic, cilantro stems**, and **¾ cup chopped onions**; cook, stirring, until fragrant and softened, 2–3 minutes. Stir in **2½ teaspoons taco seasoning** and **beans and their liquid**; season with **salt** and **pepper**. Cook until liquid is mostly evaporated, 2–3 minutes.

4. Make onion salsa

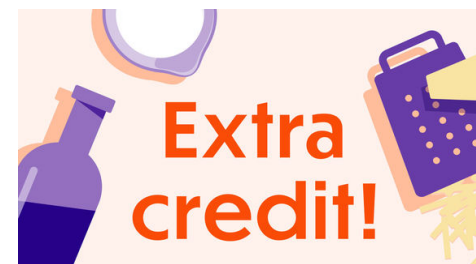

While **beans** cook, in a small bowl, stir to combine **chopped cilantro leaves**, **remaining chopped onions**, and **½ tablespoon each of oil and vinegar**; season with **salt** and **pepper**.

5. Finish & serve

Using a metal spatula, loosen and flip **sweet potatoes**; spread into an even layer. Spoon **black bean chili** over top and sprinkle with **cheese**. Bake on upper oven rack until **cheese** is melted and browned in spots, 3–5 minutes.

Top **vegetarian chili cheese fries** with **onion salsa**. Enjoy!

6. Make it meaty!

We made this a meatless meal on purpose, but if you have carnivores at the table, check out our handy protein packs! Top off the fries with ground beef or shredded chicken breast.
