1. Cook apples

Preheat oven to 400°F with a rack in the center.

Peel **apples**; discard cores and cut into ½-inch pieces.

Melt 2 **tablespoons butter** in a medium nonstick skillet over medium heat. Add apples and a **pinch of salt**; cook, stirring often, until tender, 9–11 minutes.

2. Finish apple filling

To skillet with **apples**, stir in **cornstarch**, ½ **cup brown sugar**, 1½ **teaspoons pie spice**, and ½ **teaspoon vanilla**. Bring to a simmer and continue to cook until mixture is thick and sticky, 3–5 minutes.

Let cool slightly off heat.

3. Assemble toaster pastries

While **filling** cools, lay out **pie dough** on a clean work surface. Trim edges of dough to make 2 (8-inch) squares. Cut each square into 4 smaller squares (8 total).

Place 4 of the squares on a parchment-lined rimmed baking sheet. Divide **apple filling** among them, leaving a ¼-inch border. Top with remaining dough squares. Use a fork to crimp the edges and seal in filling.

4. Bake toaster pastries

In a small bowl, whisk together 1 **large egg** and 1 **teaspoon water**. Brush over **toaster pastries**.

Bake on center oven rack until golden brown all over, 15–18 minutes. Transfer to a wire rack to cool.

5. Frost & serve

In a medium bowl, stir to combine **confectioners' sugar** and 2 **teaspoons milk**. Spread over **toaster pastries**, leaving a ¾-inch border, and top with **sprinkles** as you go (the glaze sets quickly).

Let **apple pie toaster pastries** rest for 10 minutes until **glaze** is set. Enjoy!
