1. Prep lettuce & sour cream

Preheat broiler with a rack in the top position.

Halve **lettuce** lengthwise; cut one half crosswise into ¼-inch ribbons, discarding stem (save other half for own use).

Into a small bowl, finely grate ⅛ **teaspoon garlic**. Stir in **all of the sour cream** and ¼ **teaspoon salt**. Add 1 **tablespoon water** at a time, as needed, until it drizzles from a spoon; set aside until ready to serve.

4. Assemble & broil

Divide **plant-based ground** between untoasted sides of **pitas**, then top with **cheese**.

Broil on top oven rack until edges of pitas are lightly toasted and cheese is melted, about 1 minute (watch closely).

2. Toast pitas

Transfer **pitas** to a rimmed baking sheet. Lightly brush all over with **water**, then brush again with **oil**. Broil on top oven rack until lightly browned on top, 1–2 minutes (watch closely as broilers vary). Flip pitas and remove from oven. Set aside until step 4; keep broiler on.

5. Serve

Serve **cheesy plant-based ground gorditas** with **sliced lettuce** and a drizzle of **garlic sour cream** over top. Enjoy!

3. Cook plant-based ground

Heat 1 **tablespoon oil** in a medium skillet over medium-high. Add **Impossible patties** and cook, breaking up into smaller pieces, until browned and heated through, 3–4 minutes. Add **taco seasoning**; cook, stirring, until fragrant, about 1 minute. Season to taste with **salt** and **pepper**.

6. Make a fresh salsa!

If you're looking to add more toppings, whip up a fresh homemade corn salsa. In a medium bowl, stir to combine blistered cooked corn, chopped tomatoes, chopped red onion, salt, pepper, and lime juice.
