1. Cook rice

Fill a large saucepan with **salted water** and bring to a boil. Add **rice** and cook (like pasta!), stirring occasionally, until just tender, about 10 minutes. Drain in a fine-mesh sieve, rinse with cold water, and drain well again.

Spread out rice on a paper-towel lined plate or baking sheet to dry and cool.

2. Prep ingredients

Trim ends from **scallions**, then thinly slice.

In a small bowl, whisk to combine ½ **teaspoon granulated garlic**, **half of the teriyaki sauce**, **2 tablespoons water**, and **2 teaspoons vinegar**.

3. Cook eggs

Beat **2 large eggs** in a small bowl; season with **salt** and **pepper**.

Heat **2 teaspoons oil** in a medium nonstick skillet over medium-high. Add eggs and scramble until soft curds form, about 1 minute. Transfer to a plate and break into large pieces, if necessary. Wipe out skillet.

4. Cook plant-based chicken

Add **1 tablespoon oil** and **plant-based chicken** to same skillet in an even layer; cook over high heat, undisturbed, until crispy in spots, about 3 minutes. Stir and cook, 2–3 minutes more. Transfer to plate with **eggs**.

Heat **2 tablespoons oil** in same skillet; add **rice**, **peas**, **teriyaki mixture**, and **⅔ of the scallions**.

5. Finish & serve

Cook over high heat, pressing down with a spatula to crisp **rice** and tossing occasionally, until warmed through, 2–3 minutes. Return **plant-based chicken** and **eggs** to skillet. Cook, stirring, about 1 minute.

Serve **plant chicken fried rice** with **remaining scallions** and **sesame seeds** sprinkled over top. Drizzle with **remaining teriyaki sauce**, as desired. Enjoy!

6. Turn up the heat

Grab your favorite hot sauce or a bottle of Sriracha and drizzle over top for a little kick of heat!
