1. Cook potatoes

Peel **potatoes** and cut into 1-inch pieces. Place in a medium pot with enough **salted water** to cover by 1 inch. Cover and bring to a boil over high heat. Reduce heat to medium and simmer, uncovered, until easily pierced with a knife, about 15 minutes. Reserve ¼ **cup cooking liquid**. Drain and return to pot off heat.

2. Mash potatoes

To pot with **potatoes**, add 4 **tablespoons butter** and ½ **teaspoon granulated garlic**; mash with a potato masher or fork until smooth. Add **Parmesan** over potatoes. Add 2 **tablespoons cooking liquid** (or more, depending on desired consistency), and fold with a spatula to combine. Season with **salt** and **pepper**.

3. Finish mashed potatoes

Cover **potatoes** to keep warm or serve immediately with **butter** over top, if desired. Sprinkle with **fried onions** for serving. Enjoy!

4. Bake green beans

Preheat oven to 425°F with a rack in the center position. Trim **green beans**, if desired.

On a rimmed baking sheet, toss green beans with 2 **teaspoons oil**. Season with **salt** and **pepper**, then spread in an even layer.

Bake green beans on center oven rack until tender and browned in spots, 15–17 minutes.

5. Finish green beans

Toss **green beans** with **pesto** directly on baking sheet. Transfer to a serving platter. Enjoy!
