Impossible Smash Burger & Oven Fries with Special Sauce

30-40min

2 Servings

Perfection is boring! That's why we're super accepting of these non-round burgers, craggly edges and all! Don't worry about forming a perfectly circular patty—the more irregular the edges, the crispier (and more delicious!) they'll be. And that magical secret sauce? It's ketchup + mayo + chopped pickles. Oops...make that not-so-secret-anymore, but still magical. We've got you covered!

WHAT WE SEND

1. Roast oven fries

Preheat oven to 450°F with a rack in the lower third.

Halve **potatoes** lengthwise, then cut into ½-inch thick wedges. On a rimmed baking sheet, toss with **2 tablespoons oil**; season with **salt** and **pepper**. Roast on upper oven rack until golden-brown and crisp, 20–25 minutes.

2. Make sauce

Finely chop half of the **pickles**; slice remaining half into rounds, if necessary, and set aside for step 5.

In a small bowl, stir to combine **chopped pickles**, **mayonnaise**, and **2 tablespoons ketchup**; season to taste with **salt** and **pepper**; set aside until ready to serve.

3. Smash burgers

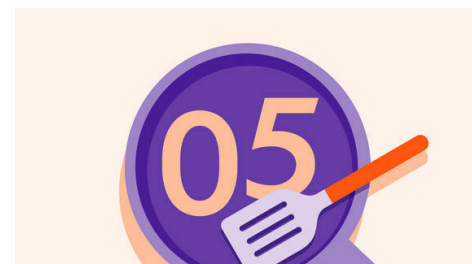

Heat a grill pan or large heavy skillet (preferably cast-iron) over high until very hot, about 2 minutes. Lightly brush skillet with **oil**. Add **Impossible patties** and smash flat with a spatula, forming 2 (5-inch) patties. Season with **salt**. Cook, undisturbed, until outer edges are brown, 2–3 minutes.

4. Flip burgers & toast buns

Flip **burgers**, season with **salt**, and cook until well browned and heated through, about 2 minutes. Transfer burgers to a plate; discard any fat from skillet.

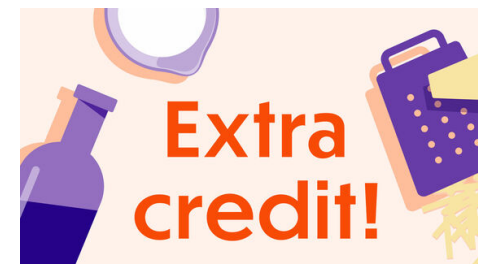

Add **buns** to skillet, cut-sides down, and toast until lightly browned, 1–2 minutes.

5. Assemble burgers & serve

Toss **potatoes** with ½ **teaspoon** each of **salt** and **pepper**. Place **burgers** on **toasted buns** and top with **a dollop of special sauce** and **reserved sliced pickles**.

Serve **smash burgers** with **oven fries** and **remaining special sauce** on the side for dipping. Enjoy!

6. Did you know?

Although reducing food waste is a top priority, sometimes in spite of best efforts, we end up with leftovers in our test kitchen and packing facilities. When that happens, we still make sure it doesn't go to waste. One way of ensuring all of our nutritious food ends up on a table is by donating to local charities like Table to Table and Grace Place.
