# MARLEY SPOON

# Vegan Tomato Paella

with Marinated Chickpea Salad

20-30min 2 Servings

For this vegan take on Spanish paella, short grain rice is simmered in a skillet with tomato paste, onion, garlic, and smoked paprika then topped with juicy plum tomatoes and baked. The secret to a good paella is the crispy rice that forms on the bottom the the pan, known as socarrat; it adds a toasted crunchy layer to complement the soft flavorful rice.

#### What we send

- garlic
- 1 yellow onion
- 2 plum tomatoes
- ¼ oz fresh parsley
- 6 oz tomato paste
- ¼ oz smoked paprika
- 5 oz arborio rice
- 15 oz can chickpeas
- 2 oz celery

### What you need

- olive oil
- kosher salt & ground pepper
- white wine vinegar (or apple cider vinegar)

## Tools

 medium (10") ovenproof skillet

**1. Prep ingredients** 

Preheat oven to 450°F with a rack in the upper third. Finely chop **1 teaspoon** garlic. Finely chop **1½ cups onion**. Core tomatoes, then thinly slice crosswise. Reserve **2 tablespoons whole parsley** leaves for serving; finely chop remaining leaves and tender stems.

2. Marinate tomatoes

In a medium bowl, toss to combine tomatoes, 2 teaspoons oil, ¼ teaspoon of the chopped garlic, ¼ teaspoon salt, and a few grinds of pepper. Let marinate until step 5.

3. Sauté aromatics

Heat 1½ tablespoons oil in a medium ovenproof skillet. Add chopped onions and cook, stirring, until softened, 3-4 minutes. Stir in 2 tablespoons tomato paste and 1 teaspoon smoked paprika; cook until brick red, about 30 seconds. Add rice and 1 tablespoon oil; cook, stirring, until fragrant, about 30 seconds.

4. Make paella

To same skillet, add **1¾ cups water**, **half of the chopped parsley**, and **¾ teaspoon salt**. Arrange **marinated tomatoes and their juices** on top (reserve bowl). Bring to a boil, without stirring, 3-4 minutes. Cover and bake on upper oven rack until liquid is nearly absorbed and **rice** is tender, about 15 minutes. Remove from oven. Let stand, covered, for 5 minutes.

5. Marinate chickpeas

While **paella** bakes, drain and rinse **chickpeas**. Trim ends from **celery**, then thinly slice. In same bowl, combine **remaining chopped garlic**, **2 teaspoons vinegar**, and **1½ tablespoons oil**. Season to taste with **salt** and **pepper**. Add **chickpeas**, **celery**, and **remaining chopped parsley**; stir to combine.

6. Finish & serve

Return skillet to stovetop over medium heat and cook, uncovered, carefully rotating skillet for even browning, until bottom of skillet begins to smell toasty, 3-4 minutes (remember the handle is hot!). Remove from heat. Sprinkle with **salt**, garnish with **reserved parsley leaves**, and serve with **chickpea salad** alongside. Enjoy!
