### 1. Prep apples

Peel **apples**; halve and discard cores. Cut into ¾-inch slices.

Squeeze 1 tablespoon lemon juice into a large bowl. Add apples, ¼ cup granulated sugar, ¼ cup brown sugar, 2 tablespoons flour, 2 teaspoons warm spice, 1 teaspoon vanilla, and ½ teaspoon salt. Toss to combine. Cover and chill in fridge (apples will release liquid while they rest).

2. Make pie dough

In a medium bowl, combine 1¼ cups flour, 2 tablespoons granulated sugar, and ½ teaspoon salt Cut 6 tablespoons cold butter into ½-inch pieces; add to bowl and toss. Use your fingers to press butter into flour until it resembles small peas. Sprinkle ¼ cup cold water over top. Stir dough until just combined, then knead into a shaggy ball.

3. Chill & roll out dough

Pat **dough** into a 4-inch wide disk, about ¾-inch thick. Wrap in plastic and refrigerate until firm, at least 4 hours (preferably overnight).

When dough has chilled, preheat oven to 375°F with a rimmed baking sheet on a rack in the lower third. Lightly **flour** a work surface and roll out dough to a 12-inch round.

4. Crimp dough, strain apple

Place **dough** in a 9-inch pie plate, fold overhang under, and crimp edges. Let chill in fridge.

Use a colander or sieve to strain **apple liquid** into a small saucepan, gently pressing **apples**. Return apples to bowl.

5. Make filling & streusel

To saucepan with **apple liquid**, add **2 tablespoons butter**. Stir constantly over medium heat until thick like caramel and darkened, 3–5 minutes. Pour into bowl with **apples**; add **1½ tablespoons flour**. Stir to coat.

Coarsely chop pecans. Add to a large bowl with oats, chia seeds, <sup>2</sup>/<sub>3</sub> cup flour, <sup>1</sup>/<sub>2</sub> cup melted butter, <sup>1</sup>/<sub>4</sub> cup brown sugar, and <sup>1</sup>/<sub>2</sub> teaspoon salt

6. Finish & serve

Transfer **apples** to **pie dough**, then spoon **pecan streusel** over top. Place on preheated baking sheet. Bake on lower oven rack until streusel is golden and **crust** is very well browned on the bottom and sides, about 90 minutes total. After 45 minutes, tent **pie** with foil to keep top from over-browning.

Cool **pie** completely on a wire rack before slicing. Enjoy!
