1. Prep salsa verde

Preheat oven to 450°F with a rack in the upper third.

In a liquid measuring cup, whisk together ¼ teaspoon granulated garlic, green enchilada sauce, turkey broth concentrate, half of the sour cream, 1 cup water, 2 tablespoons flour, and ½ teaspoon salt; reserve for step 3.

2. Cook veggie ground

Heat 2 teaspoons oil in a medium ovenproof skillet over medium-high. Add Actual Veggies burgers and season with salt and pepper. Cook, breaking up into smaller pieces, until browned and heated through, 3–4 minutes. Transfer to a bowl.

3. Cook salsa verde

Add reserved sauce to same skillet. Bring to a boil and cook, whisking constantly, until thickened and coats back of a spoon, about 3 minutes. Add ¼ cup of the sauce to bowl with veggie ground and stir to combine.

Transfer half of the remaining sauce to a small bowl.

4. Assemble & bake

Arrange tortillas on a work surface. Divide veggie ground filling among each, then roll up and place seam-side down in skillet with sauce. Pour remaining sauce over top, then sprinkle with cheese.

Bake enchiladas on upper oven rack until cheese is melted and sauce is bubbling, 12–15 minutes (watch closely as ovens vary).

5. Finish & serve

Remove enchiladas from oven and let cool for 5 minutes. In a small bowl, thin remaining sour cream by adding 1 teaspoon water at a time until it drizzles from a spoon. Season to taste with salt and pepper.

Serve veggie ground enchiladas verde with sour cream alongside or drizzled over top. Enjoy!

6. Take it to the next level

The topping options for these enchiladas are endless! Add cilantro, shredded lettuce, pico de gallo, and maybe your favorite hot sauce.
