1. Cook quinoa

In a small saucepan, combine **quinoa**, **¾ cup water**, and **½ teaspoon salt**. Bring to a boil. Cover and cook over low heat until water is absorbed and quinoa is fluffy, 15-20 minutes. Remove from heat; let stand for 5 minutes. Uncover and fluff with a fork.

4. Cook veggies

Heat **2 teaspoons butter** in a small skillet over medium-high. Add **radishes**; cook, stirring, until beginning to soften and brown in spots, 2-3 minutes. 2. Prep ingredients

Trim **snow peas**, if desired, then halve crosswise on an angle. Trim ends from **radishes**, then cut into ½-inch wedges. Pick **mint** leaves from stems, discard stems, then finely chop 1 teaspoon (leave remaining leaves whole).

5. Dress spinach

In a medium bowl, whisk to combine **2 teaspoons oil** and **¾ teaspoon vinegar**, season to taste with **salt** and **pepper**. Add **baby spinach** and toss to combine.

3. Make buttermilk dressing

In a small bowl, whisk to combine **buttermilk powder**, **sour cream**, **2 tablespoons water**, and **1 tablespoon oil**. Season to taste with **salt** and **pepper**. Slightly thin dressing by stirring in **1 teaspoon water** at a time, if necessary.
