with Poblano Peppers & Chipotle Cashew Crema

30-40min

2 Servings

Whether you live a fast-paced lifestyle or you want to sneak more tacos into your life, these are sure to be a crowd-pleaser! The trick here is using protein-packed tofu in two ways. Most of the tofu is sautéed with poblano peppers, creating a flavorful filling for warm flour tortillas. The remaining tofu gets blended along with cashews and chipotle spice into a creamy topping for the tacos.

1. Prep ingredients

Halve **poblano pepper**, remove stem and seeds, then cut into ½-inch pieces. Finely chop **onion**. Cut a **1-inch piece of tofu**; reserve for step 2. Line a plate with paper towels and use your fingers to crumble **remaining tofu** into ½-inch pieces. Spread tofu in a single layer and press another paper towel on top to blot as much water from tofu as possible.

4. Brown tofu

Heat **1 tablespoon oil** in same skillet over high. Add **crumbled tofu**; spread to an even layer and season with **salt** and **pepper**. Cook, stirring occasionally, until tofu is golden brown in spots, 5–7 minutes.

2. Make crema

Squeeze **juice from half of the lime** into a blender; cut remaining lime into wedges. To blender, add **cashews**, **reserved tofu**, **⅓ cup water**, **⅛ teaspoon chipotle powder** (or more or less, depending on heat preference), and **a pinch each of salt and sugar**. Blend on high until smooth, stopping to scrape down sides as needed. Transfer **crema** to a small bowl; season to taste with **salt**.

5. Finish tofu

Add **peppers**, **all but 2 tablespoons of the onions**, and **1 tablespoon oil** to skillet and cook, stirring occasionally, until veggies soften and brown in spots, 5–7 minutes. Reduce heat to medium; add **salsa**, **all of the taco seasoning**, and **¼ cup water**. Cook, stirring occasionally, until fragrant, 1–2 minutes. Season to taste with **salt** and **pepper**.

3. Warm tortillas

Heat a medium nonstick skillet over medium-high. Add **1 tortilla** and cook until warm and lightly golden, about 30 seconds per side. Transfer to a plate. Repeat with remaining tortillas, wrapping in foil or a clean kitchen towel as you go to keep warm.

6. Assemble tacos & serve

Spoon **tofu mixture** onto **warm tortillas**, then top with **chipotle crema** and **remaining onions**. Pick **cilantro leaves** from stems and sprinkle over. Serve **tacos** with **remaining crema** and **lime wedges** for squeezing over top. Enjoy!
