1. Prep veggies

Preheat oven to 425°F with a rack in the center.

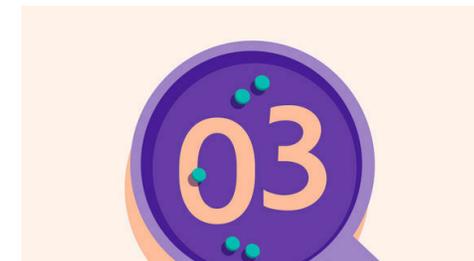

Coarsely chop **onion**. Trim ends from **carrot**, then cut into ¼-inch pieces. Scrub **potato**, then cut into ½-inch pieces.

2. Cook Impossible patties

Heat **1 tablespoon oil** in a medium ovenproof pot over medium-high. Add **Impossible patties** and a **pinch of salt**; cook, stirring and breaking up into smaller pieces, until browned, 3–5 minutes. Use a slotted spoon to transfer to a bowl.

Melt **4 tablespoons butter** in same pot over medium-high. Transfer **1½ tablespoons of the melted butter** to a separate small bowl; reserve for step 5.

3. Build pot pie filling

To pot with **butter**, add **onions, carrots, potatoes, and a pinch of salt**. Cook, stirring occasionally, until veggies are slightly tender and golden, 8–10 minutes. Add **3 tablespoons flour**; cook, stirring frequently, until flour is toasted, about 1 minute.

4. Finish filling

To pot with **veggies**, stir in **broth concentrate, 2 cups water, and plant ground**. Bring to a simmer over medium-high heat, scraping up any browned bits from bottom of pot. Once simmering, remove from heat and season to taste with **salt and pepper**. Stir in **peas**.

In a medium bowl, stir together **biscuit mix** and **¼ cup water** until just combined.

5. Bake & serve

Drop heaping tablespoons of **biscuit dough** over **filling** in pot (filling will not be completely covered). Brush biscuits with **reserved melted butter**. Bake on center oven rack until **veggies** are tender and **biscuits** are golden and cooked through, 18–22 minutes.

Let **plant-based ground pot pie** sit 5 minutes before serving. Enjoy!
