1. Hard boil eggs

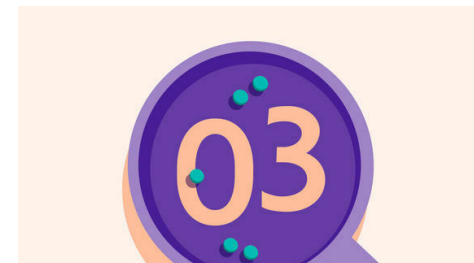

Preheat oven to 425°F with a rack in the upper third.

Place **2 large eggs** in a small saucepan. Add enough water to cover by 1 inch. Bring to a boil, cover, and remove from heat; let cook until eggs are set, about 10 minutes. Using a slotted spoon, remove from saucepan and place in a bowl of **ice water** until step 5.

2. Roast mushroom "bacon"

While **eggs** cook, discard stems from **mushrooms**, then thinly slice caps. On a rimmed baking sheet, toss with **2 tablespoons oil**, **½ teaspoon salt**, and **a few grinds of pepper**. Roast on upper oven rack until deep golden-brown and begin to crisp, 10–15 minutes. Transfer to a plate; reserve baking sheet for step 4.

3. Prep veggies

Trim ends from **cucumber** (peel if desired) and cut into ¼-inch pieces.

Cut **tomato** into ½-inch pieces.

Trim ends from **lettuce**, then tear into bite-size pieces (about 8 cups, loosely packed). Set veggies aside until ready to serve.

4. Broil corn

Switch oven to broil. On reserved baking sheet, toss **corn** with **a drizzle of oil** and **a pinch each of salt and pepper**. Broil on upper oven rack until browned in spots, 2–3 minutes (watch closely as broilers vary).

5. Finish & serve

Once **eggs** are cool, remove shells and slice crosswise into ¼-inch rounds.

In a large bowl, combine **1 tablespoon vinegar** and **2 tablespoons oil**; season to taste with **salt** and **pepper**. Add **lettuce** and toss to coat.

Top **dressed lettuce** with **tomatoes**, **cucumbers**, **eggs**, **corn**, **mushroom "bacon"**, and **crumbled feta**. Enjoy!

6. Take it to the sea!

Not so worried about keeping it veggie? Grill some succulent shrimp or poach a piece of salmon for a protein-packed topper.
