1. Prep ingredients

Bring a medium pot of **salted water** to a boil over high.

Finely chop **2 teaspoons garlic**. Trim ends from **scallions**, then thinly slice.

Add **noodles** to boiling water. Cook, stirring occasionally to prevent sticking, until al dente, about 5 minutes. Drain, then rinse with cold water; set aside for step 4.

2. Make sauce

Meanwhile, heat **2 tablespoons oil** in a medium nonstick skillet over medium-high. Add **scallions, garlic, and red pepper flakes** (use less depending on heat preference); cook, stirring, until sizzling and fragrant, and scallions are bright green, 2–3 minutes. Transfer to a small bowl; stir in **tamari, 2 tablespoons water, 1 tablespoon vinegar, and 2 teaspoons sugar**; set aside.

3. Cook plant-based ground

Heat **1 tablespoon oil** in same skillet over high. Add **Impossible patties** and break into large pieces with a spoon. Season with **salt and pepper**. Cook, without stirring, until well browned on one side, 4–5 minutes. Stir, then continue to cook until just cooked through, about 3 minutes more. Drain excess oil, if desired.

4. Add noodles & sauce

To skillet with **plant-based ground**, add **noodles and scallion sauce**; cook over medium heat, tossing until heated through, about 1 minutes. Season to taste with **salt and pepper**.

5. Serve

Serve **plant-based ground and ramen stir-fry** with **sesame seeds** sprinkled over top. Enjoy!

6. Add some greens

Quickly steam some broccoli florets to toss in with the noodles and plant-based ground. You can also use snow peas, green beans, or any other veggies you have lying around!
