

Roasted Harissa-Spiced Chickpeas & Potatoes

with Spinach, Yogurt & Cucumber

30-40min

2 Servings

This one-sheet-pan wonder was inspired by papri chaat, a popular Indian dish that features chickpeas and potatoes. We slather potato wedges and protein-packed chickpeas with harissa spice before baking until crispy and browned. The salsa features crisp cucumbers, onions, fresh mint, and a lemony dressing. On a bed of spinach and yogurt, the finished dish is truly restaurant-worthy.
