#### 1. Prep veggies

Halve **carrot** lengthwise, then thinly slice into half-moons. Thinly slice **celery**. Finely chop **2 teaspoons garlic**.

Using kitchen shears, coarsely chop **tomatoes** directly in can.

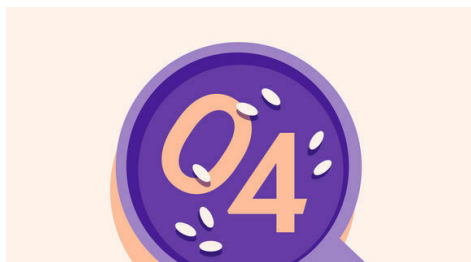

#### 2. Cook carrots & celery

Heat **1 tablespoon oil** in a medium pot over medium-high. Add **carrots, celery**, and a **pinch each of salt and pepper**. Cook, stirring occasionally, until veggies are softened and lightly browned, about 5 minutes.

#### 3. Make broth

To pot with **veggies**, add **chopped garlic**; cook, stirring, 30 seconds. Add **beans and their liquid, chopped tomatoes, 3 cups water**, and **1 teaspoon salt**. Bring to a boil, then reduce heat to medium-low; cover and simmer until veggies are tender, about 10 minutes.

#### 4. Add pasta

Bring **soup** to a boil over high heat. Add **½ cup pasta** (save rest for own use) and cook, stirring often, until al dente, about 5 minutes.

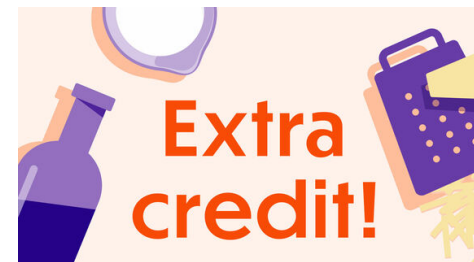

#### 5. Finish & serve

Stir **half of the pesto** into **soup** and season to taste with **salt and pepper**.

Serve **minestrone** with **remaining pesto** drizzled over top. Enjoy!

(Soup will thicken as it sits; thin with water, as needed.)
