1. Cook eggplant

Preheat oven to 425°F with a rack in the center.

Prick **eggplant** surface all over with a knife. Transfer to a rimmed baking sheet; drizzle with **oil** and a **pinch of salt**.

Cook on center oven rack until deeply tender and charred on the outside, flipping halfway through cooking time, 45–50 minutes. Let cool completely.

4. Make baba ganoush

Transfer **drained eggplant** to a medium bowl. Vigorously stir with a spoon until eggplant breaks down, about 1 minute. Stir in **all of the tahini, lemon juice and garlic, 2 tablespoons oil, and 1 teaspoon salt**. Season to taste with **salt** and **pepper**. Add **more lemon juice**, if desired.

2. Prep eggplant

Cut **eggplant** in half lengthwise. Scoop out flesh with a large spoon, discarding skin. Place a mesh strainer over a mixing bowl, then transfer flesh to strainer. Let eggplant sit to release excess liquid, at least 15 minutes. Reserve baking sheet.

Meanwhile, finely grate ½ **teaspoon garlic** into a small bowl. Squeeze in 2 **tablespoons lemon juice**. Set aside for step 4.

5. Serve

Transfer **baba ganoush** to serving bowl and drizzle with **oil**.

Serve **mezze platter** with **baba ganoush, pita, and veggies**. Enjoy!

3. Prep veggies & pita

Halve **peppers**; discard stem and seeds. Cut into ½-inch strips. Cut **cucumber** into ½-inch wide rounds.

Stack **pitas**; cut into 2-inch pieces. Transfer to same baking sheet. Drizzle with **oil** and sprinkle with **za'atar**; toss to combine. Bake on center oven rack until lightly browned, 8–10 minutes.

6. Pro tip!

Pricking the eggplant in step 1 allows steam to escape so it doesn't explode in the oven. You're welcome!
