#### 1. Crush bananas

Crush **bananas** in packet with a rolling pin or heavy skillet until powdery.

Alternatively, transfer **bananas** to a blender and pulse into a powder (it's okay if some large pieces remain).

#### 2. Mix dry ingredients

In a medium bowl, whisk together **biscuit mix**, **crushed banana**, and **1 tablespoon sugar**.

#### 3. Mix batter

In a separate medium bowl, whisk together **1 large egg** and **¾ cup milk or water**.

Add **wet mixture** to **dry mixture** and fold with a spatula until nearly combined. Add **chocolate chips** and fold until just combined and no dry flour remains (batter will be lumpy).

#### 4. Cook pancakes

Heat **½ teaspoon oil** in a large nonstick skillet over medium until shimmering. Using paper towels, carefully wipe out **oil**, leaving thin film on bottom and sides of skillet.

Add about **¼ cupfuls of batter** at a time to preheated skillet (do not overcrowd skillet). Cook until golden brown and cooked through, about 90 seconds per side.

#### 5. Serve

Serve **pancakes** with **maple syrup**. Enjoy!

#### 6. Something to smile about

If you're feeling fancy, keep a handful of the chocolate chips out of the batter and arrange them in fun patterns or shapes once the pancakes are in the pan. Smiley faces and hearts are a few of our favorites!
