1

1. Prep ingredients

Preheat oven to 325°F with a rack in the center.

Grease an 8x8-inch baking dish with nonstick cooking spray and line with parchment paper so that there is a 2-inch overhang on opposite sides.

2

2. Toast nuts

Transfer **walnuts** to a rimmed baking sheet. Bake on center oven rack until golden brown and fragrant, 6-9 minutes. Let cool slightly, then coarsely chop.

3

3. Start batter

Microwave **8 tablespoons butter** in a medium bowl until melted, 30-90 seconds. Stir in **all of the cocoa powder** and **1 teaspoon espresso powder** until combined. Allow to cool slightly.

4

4. Finish batter

Whisk in **½ teaspoon each of vanilla extract and salt**. Add **2 large eggs** and whisk until batter is completely smooth (mixture should resemble chocolate pudding).

Add **1 cup granulated sugar** and **¼ cup flour**. Mix until just combined and no flour streaks remain. Fold in **walnuts**.

5. Bake brownies

Transfer **batter** to prepared baking dish and spread into an even layer. Bake on center oven rack until top is crackly and batter just begins to pull away from the sides, 30-35 minutes (it will still be fudge-like in the middle).

6

6. Cool & serve

Let **brownies** cool completely in the baking dish. Remove and cut into squares for serving. Enjoy!
