1. Cook rice

Fill a medium saucepan with **salted water** and bring to a boil. Add **all of the rice** and boil (like pasta!), stirring occasionally, until just tender, about 12 minutes. Drain in a fine-mesh sieve, rinse with cold water, and drain well again.

Spread out rice on a paper towel-lined plate or sheet pan to dry and cool.

2. Prep ingredients & sauce

Trim ends from **scallions**, then thinly slice.

In a small bowl, whisk to combine **all of the stir-fry sauce**, **2 tablespoons water**, and **1 teaspoon vinegar**.

3. Scramble eggs

In a small bowl, beat **2 large eggs** and season with **salt** and **pepper**.

Heat **2 teaspoons oil** in a large nonstick skillet over medium-high. Add eggs and scramble until soft curds form, about 1 minute. Transfer to a plate and break into large pieces, if necessary.

4. Cook plant-based ground

Heat **2 teaspoons oil** in same skillet over medium-high. Add **Impossible patties** and **a pinch each of salt and pepper**. Cook, breaking up into smaller pieces until browned, 3–5 minutes. Add **½ teaspoon granulated garlic** and **⅔ of the scallions**. Cook, stirring occasionally, until fragrant, 1 minute. Using a slotted spoon, transfer to plate with **eggs**. Wipe out skillet.

5. Finish & serve

To same skillet, add **rice**, **sauce mixture**, and **2 tablespoons oil**. Cook over high heat, pressing down with a spatula to crisp rice, and tossing occasionally until warmed through, 2–3 minutes. Return **plant-based ground and eggs** to skillet. Cook, stirring, until combined and warmed through, about 1 minute.

Garnish **plant-based ground fried rice** with **remaining scallions**. Enjoy!

6. Make it ahead!

Making the rice a day ahead not only speeds up this already speedy dinner, but allows for optimal crispness. Cooked rice dries out as it sits, so using rice that's a day old reduces your chances of ending up with wet and sticky fried rice. Keep cooked rice in an airtight container in the fridge. When you're ready to cook, rub the rice between your fingers to break up any clumps.
