with Oats & Warm Spices

1h

2 Servings

An apple crisp is the perfect way to wrap up any feast. As it bakes, the aroma of apples, brown sugar, and warm spices will fill the house and, just like that, everyone will have just enough room for dessert! We recommend serving with nicely-sized scoops of vanilla ice cream. (2p-plan serves 4; 4p-plan serves 8—nutrition reflects 1 portion of crisp)

### 1. Mix dry ingredients

Preheat oven to 375°F with a rack in the center. In a large bowl, stir to combine **½ cup flour, 2 tablespoons brown sugar** (save remaining flour and sugar for own use), **1 tablespoon granulated sugar**, and **¼ teaspoon salt**

### 2. Make topping

Cut **4 tablespoons butter** into small pieces. Use a pastry blender or two knives to cut butter pieces into **flour mixture** until it is the texture of coarse meal. Add **¾ cup oats** (save rest), then use your hands to toss and squeeze mixture until large, moist clumps form. Transfer to the freezer to chill while you prepare **apples**.

### 3. Prep apples

Peel, quarter, and core **apples**. Cut each quarter into 4 wedges and place in a second large bowl.

### 4. Toss filling

Halve **lemon**, then squeeze **2 tablespoons lemon juice** into bowl with **apples**; add **¼ cup water** and toss to combine. Stir in **1 cup granulated sugar** and **½ teaspoon warm spice blend**. Let sit for 10 minutes.

### 5. Assemble crisp

Transfer **apples** to a medium, shallow baking dish, spreading into an even layer. Sprinkle with **topping**. Cover with foil.

### 6. Bake & serve

Place baking dish on a rimmed baking sheet. Bake on center oven rack until **apples** are nearly tender when pierced with a knife, about 45 minutes. Remove foil and bake until **apples** are tender and **topping** is golden, 20-25 minutes more. Let cool for 10 minutes before serving. Enjoy!
