1. Prep ingredients

Preheat oven to 325°F with a rack in the center. Lightly grease an 8x8-inch baking dish.

Transfer **pecans** to a rimmed baking sheet; bake on center oven rack until fragrant and lightly toasted, 6–8 minutes.

Melt **10 tablespoons butter** in a medium saucepan over medium-high heat, 2–3 minutes. Remove saucepan from heat.

2. Make topping

Transfer **2 tablespoons melted butter** to a medium bowl; reserve remaining butter in saucepan for step 3.

To bowl with butter, whisk in **½ cup brown sugar, 2 tablespoons flour, 1 large egg,** and **¼ teaspoon each of salt and vinegar**. Chill **topping** in fridge until step 4.

3. Make batter

To **butter** in saucepan, whisk in **¾ cup granulated sugar** and **2 tablespoons brown sugar** until smooth. Whisk in **2 large eggs**. Add **½ cup cocoa powder, ⅓ cup flour,** and **a pinch of salt**; stir until just combined. Pour **batter** into prepared baking dish.

4. Assemble brownies

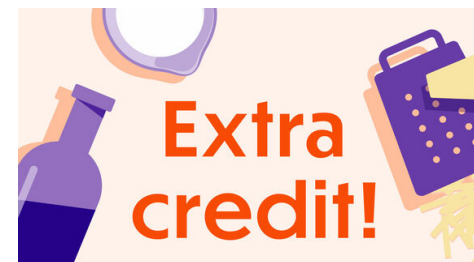

Sprinkle **half of the toasted pecans** over **batter**. Slowly drizzle **chilled topping** over top to create a thin, even layer. Sprinkle with **remaining pecans**.

5. Bake brownies & serve

Bake on center oven rack until **topping** is set and a toothpick inserted into center comes out with a few damp crumbs, about 30 minutes. Let cool completely.

Cut **pecan pie brownies** into squares before serving. Enjoy!

6. Save it for later!

These brownies freeze beautifully with no need to thaw before enjoying. The sugar and fat create a chewy, fudgy texture that makes for a delicious frozen treat.
