

Frosty Sugar Cookie Wreaths

with Candied Rosemary

1h

2 Servings

These festive cookies begin with a buttery dough scented with fresh orange zest and warm spices. After rolling, cutting, and baking these tender sugar cookies, we top them with a frosty white vanilla icing, and then the fun starts—decorating the cookies! We opt for beautiful (and delicious!) candied fresh rosemary and holiday sprinkles. (2p-plan makes 24 cookies; 4p-plan makes 48—nutrition reflects 1 cookie)

1. Prep ingredients

Finely grate **2 teaspoons orange zest**. Reserve **2 tablespoons flour** for step 4.

In a medium bowl, combine **remaining flour**, **1½ teaspoons warm spice blend**, and **½ teaspoon each of salt and baking powder**. (This is the dry ingredients.)

2. Make dough

In a 2nd medium bowl, combine **orange zest**, **1 cup granulated sugar**, and **½ cup softened butter**. Use an electric mixer to mix on low speed until butter mixture is light and fluffy, 1-2 minutes. Add **1 large egg** and **1 teaspoon vanilla**; mix to combine. Add **dry ingredients** and mix until flour is incorporated. Knead a few times to form a dough. Wrap in plastic; refrigerate for 2 hours.

3. Candy rosemary

Separate **1 large egg white** (discard yolk). Pick small bunches off **rosemary sprigs**; brush with **egg white** and sprinkle with **some of the remaining granulated sugar**. Transfer sugared rosemary to a wire rack and let stand until stiff and dry, at least 1 hour.

Preheat oven to 350°F with racks in the center and upper third. Line 2 rimmed baking sheets with parchment paper.

4. Cut out cookies

Dust work surface with **half of the reserved flour**; place **dough** on top and dust with remaining reserved flour. Roll dough to a ¼-inch thickness. Use a 3-inch cutter (preferably fluted) to cut out rounds. Transfer to prepared baking sheets, 1-inch apart. Use a 1-1¼-inch round cutter to cut out centers of 3-inch rounds. Gather dough scraps; roll and repeat making rounds (about 24 total).

5. Bake cookies & make icing

Bake on upper and center racks until cookie edges are beginning to brown, switching halfway through, 15-18 minutes. Remove from oven; let cookies cool completely. In a medium bowl, combine **2 large egg whites** (discard yolks) and **1 teaspoon vanilla**. Use electric mixer to mix until frothy, about 1 minute. Add **confectioners' sugar** and mix until icing is shiny, about 2 minutes more.

6. Ice cookies & serve

Once **cookies** are cool, dip **cookie** tops, 1 at a time, into **icing**; lift and tilt for a few seconds, allowing excess to drip back into bowl. While **icing** is still wet, decorate with **candied rosemary** and **sprinkles**. Enjoy!
