1. Cook rice

In a small saucepan, combine **rice**, **1¼ cups water**, and **½ teaspoon salt**, bring to a boil over high heat. Cover and cook over low until rice is tender and water is absorbed, about 17 minutes. Keep covered off heat until ready to serve.

4. Cook asparagus

Meanwhile, transfer **asparagus** to a microwave-safe bowl. Cover with a damp paper towel and heat until just tender, 2-3 minutes. Season with **salt** and **pepper**.

2. Prep ingredients

Zest **lime**, then cut remaining into wedges. Trim tough ends from **asparagus**.

Pat **fish** dry, then season with **salt** and **pepper**. Coat fish evenly in **cornstarch**, pressing lightly so that the cornstarch adheres to the outside of the fish.

5. Heat sauce

In a microwave-safe bowl, combine **sweet chili sauce** and **1 tablespoon water**. Cover with a paper towel to prevent splattering, and warm in microwave until bubbling.

3. Fry fish

Heat **½-inch oil** in a medium nonstick skillet over medium-high (oil should register 350°F; a pinch of cornstarch should sizzle immediately). Add **cod** to skillet in an even layer. Cook until lightly golden and crisp, 3-6 minutes per side. Transfer to a paper towel-lined plate.

6. Serve

Fluff **rice** with a fork and stir in desired amount of **lime zest**. Transfer to plates alongside **asparagus**. Place **fish** on top and spoon **sweet chili sauce** over fish so that it is completely coated. Garnish with **sesame seeds** and serve with **lime wedges** for squeezing over. Enjoy!
