NUTRITION PER SERVING

Calories 630kcal, Fat 24g, Carbs 71g,
Protein 32g

1. Prep ingredients

Bring a large pot of **salted water** to a boil over high.

Cut **tomatoes** into ½-inch pieces. Finely chop **2 teaspoons garlic**. Trim ends from **scallions** and thinly slice.

2. Cook pasta

Add **pasta** to pot with boiling **salted water**; cook, stirring often to prevent sticking, until al dente, 8–9 minutes. Reserve **¼ cup cooking water**, then drain pasta and return to pot off heat; toss with **1 teaspoon oil**. Set aside until step 5.

3. Cook shrimp

While **pasta** cooks, pat **shrimp** very dry (first thaw under cool running water, if necessary); season with **salt** and **pepper**. Heat **1 tablespoon oil** in a medium skillet over medium-high until shimmering. Add shrimp and cook, stirring occasionally, until pink and just cooked through, 2–3 minutes. Transfer to a plate; set aside until step 5.

4. Make sauce

Immediately add **tomatoes, chopped garlic**, and **1 tablespoon oil** to same skillet; season with **salt** and **pepper**. Cook, stirring, until tomatoes start to soften and release their juices, 1–2 minutes. Stir in **broth concentrate** and **reserved cooking water**; bring to a boil over high heat. Reduce heat to medium and simmer until sauce is slightly reduced, about 3 minutes.

5. Finish & serve

Return **shrimp** to skillet with **sauce** along with **1 tablespoon butter**; simmer just until heated through, about 1 minute.

Serve **shrimp scampi** over **pasta** with **scallions** and a **drizzle of oil** over top. Enjoy!

6. Just add vino!

Add a splash of dry white wine to the sauce in step 4, then pour yourself a glass for a pop of bright acidity to the meal.
