- 5 oz baby spinach

What you need

- olive oil
- kosher salt & ground pepper

- microwave

Cooking tip

Before cutting the lemon, place it on a flat surface. Roll it a few times under the palm of your hand using medium pressure. This helps loosen up the inside so you have more juice to squeeze!

1. Cook quinoa

Transfer quinoa-kale blend to a microwave-safe bowl. Partially cover with a microwave-safe lid and microwave on high until warm, 2-3 minutes. (Alternatively, heat 1 teaspoon oil in a small saucepan over medium; add quinoa-kale blend and 1 tablespoon water. Cook, stirring occasionally, until warm, 3-5 minutes.)

4. Cook green beans

Heat **2 teaspoons oil** in a medium nonstick skillet over high until shimmering. Add **green beans**; cook until tender and browned in spots, about 5 minutes. Transfer to a bowl; season with to taste with **salt** and **pepper**. Cover to keep warm.

2. Prep ingredients

Finely grate **¼ teaspoon lemon zest** into a small bowl. Pick **2 tablespoons dill fronds** from stems; finely chop 1 tablespoon. Keep remaining dill whole; discard stems. Add **chopped dill** to bowl with zest and season with **salt** and **pepper**. Trim stem ends of **green beans**.

3. Make lemon dressing

Squeeze **1 tablespoon lemon juice** into a 2nd small bowl. Whisk in **2 tablespoons oil** and season to taste with **salt** and **pepper**.

5. Sear trout

Pat **trout** dry. Season skin side with **salt**. Season flesh side only with **lemon-dill rub**. Heat **1 tablespoon oil** in same skillet over medium-high until shimmering. Reduce heat to medium; add trout fillets, skin side down. Using the back of a spatula, press each fillet firmly in place for 10 seconds.

6. Finish trout & serve

Continue to cook **trout**, occasionally pressing gently on fillets, until skin is browned and very crisp, about 4 minutes. Flip **trout**, and cook until just medium, 30-60 seconds more.

Transfer **trout** to plates and serve with **quinoa** and **green beans**. Spoon **lemon dressing** over top. Garnish with **remaining whole dill fronds**. Enjoy!
