Nothing beats salmon in a rich lemon butter sauce, so the fact that it's a great source of essential fatty acids is just the cherry on top. 1. Boil potatoes

Preheat oven to 425°F with a rack in the center. Peel **potatoes**, then cut into 1-inch pieces. Place in a medium saucepan with enough **salted water** to cover by 1 inch. Cover and bring to a boil over high heat. Uncover; cook until easily pierced with a fork, about 8 minutes. Reserve **½ cup cooking water**, then drain potatoes and return to saucepan off heat; cover and set aside for step 5.

2. Make lemon-butter sauce

Finely chop **1½ teaspoons garlic**.

In a small microwave-safe bowl, microwave **4 tablespoons butter** until melted. Into same bowl, finely grate zest from **lemon** and squeeze **2 teaspoons juice**. Stir in **half of the chopped garlic**; season with **salt and pepper**.

Slice **remainder of lemon** into thin rounds.

3. SALMON VARIATION

Pat **salmon** dry and season all over with **1 teaspoon paprika** and a **pinch each of salt and pepper**. Transfer to a medium baking dish. Drizzle with **some of the lemon-butter sauce**; arrange **lemon slices** over top.

Bake on center oven rack until fish is cooked through and easily flakes with a fork, about 10–12 minutes.

4. Cook spinach

In a medium microwave-safe bowl, combine **spinach**, **remaining chopped garlic**, and **1 teaspoon oil**. Cover with plastic wrap or a damp paper towel and microwave on high until wilted, 1–2 minutes. Stir to combine and season to taste with **salt and pepper**.

5. Mash potatoes & serve

Heat saucepan with **potatoes** over medium. Cook, stirring, until dry and breaking apart, 1–2 minutes. Remove from heat; add **sour cream**, **reserved cooking water**, and **1 tablespoon butter**. Mash with a potato masher or fork until smooth; season to taste with **salt and pepper**.

Serve **salmon** over **mashed potatoes** and **spinach** with **remaining sauce** spooned over top. Enjoy!
