THIS IS A CUSTOMIZED RECIPE STEP

We've tailored the instructions below to match your recipe choices. Happy cooking!

1. Prep shrimp

Rinse **shrimp** and pat very dry. Season all over with **salt** and **pepper**.

4. Fry shrimp

Heat **¼-inch oil** in a medium nonstick skillet over medium-high until shimmering. Working in batches so as to not overcrowd the pan, add **shrimp** and fry until deeply golden brown, 1-2 minutes per side. Transfer to a paper towel-lined plate and immediately sprinkle with **schichimi togarashi**.

2. Prep veggies

Grate **carrot** on the large holes of a box grater. Strip **kale leaves** from tough stems; discard stems and thinly slice leaves.

Transfer **edamame** to a microwave-safe bowl, cover with a damp paper towel, and microwave until beans are warmed through, 1-2 minutes.

Coarsely chop **almonds**.

5. Toss salad & serve

Pick **mint leaves** from stems and coarsely chop; discard stems. Toss **kale, carrots, and mint** with **sesame dressing** (optionally add **1 teaspoon vinegar** if dressing is too sweet). Season to taste with **salt** and **pepper**.

Transfer **salad** to plates and top with **edamame, almonds, and crispy shrimp**. Enjoy!

3. Coat shrimp

In a medium bowl or plate, combine **panko** with **sesame seeds**. Working one at a time, add **shrimp** to panko mixture and press lightly so panko sticks to shrimp. Transfer to a second plate and repeat with remaining shrimp. Return shrimp to bowl and coat with another layer of panko, pressing lightly to help breading adhere.

6. Spice it up!

Add some spice to this dish by drizzling on Sriracha or sprinkling it with red pepper flakes.
