1. Boil potatoes

Peel **potatoes**, then cut into 1-inch pieces. Place in a medium saucepan with enough **salted water** to cover by 1 inch. Cover and bring to a boil over high heat. Uncover; cook until easily pierced with a fork, about 8 minutes. Reserve **½ cup cooking water**, then drain potatoes and return to saucepan off heat. Cover and set aside for step 5.

2. Prep ingredients

Finely chop **2 teaspoons garlic**. Zest **all of the lemon** and squeeze **2 teaspoons juice** into a small bowl. Slice remaining lemon into wedges.

Rinse **shrimp**, then pat very dry (first thaw under cool running water, if necessary). Season all over with **1 teaspoon paprika** and **a pinch each of salt and pepper**.

3. Cook shrimp & pan sauce

In a medium nonstick skillet, heat **1 tablespoon oil** over medium-high heat. Add **shrimp** and cook until just pink, about 3 minutes. Reduce heat to medium and add **3 tablespoons butter** until melted. Add **half of the chopped garlic**; cook until fragrant. Stir in **lemon zest and juice**; season with **salt** and **pepper**. Cover to keep warm off heat.

4. Cook spinach

In a medium microwave-safe bowl, combine **spinach**, **remaining chopped garlic**, and **1 teaspoon oil**. Cover with plastic wrap or a damp paper towel and microwave on high until wilted, 1–2 minutes. Stir to combine and season to taste with **salt** and **pepper**.

5. Mash potatoes & serve

Return **potatoes** to medium heat. Cook, stirring, until dry and breaking apart, 1–2 minutes. Off heat, add **sour cream**, **reserved cooking water**, and **1 tablespoon butter**. Mash with a potato masher or fork; season to taste with **salt** and **pepper**.

Serve **shrimp** over **mashed potatoes** and **spinach** with **lemon wedges** and **remaining sauce** over top. Enjoy!

6. No microwave?

No problem! In step 4, sauté the spinach in a medium skillet over medium heat until wilted.
