

Crispy-Skinned Cajun Salmon

with Coconut-Braised Collards & Corn Relish

30-40min

2 Servings

Classic Cajun flavors couldn't pair better with salmon that crisps beautifully after a few minutes in a skillet. We make the collard greens tender and creamy by letting them simmer in coconut milk. Meanwhile, charred corn combines with roasted peppers and lime juice to make a bright and zesty relish. Put all three together, and you have a dinnertime win on your plate.
