1. Prep veggies

Halve **onion** lengthwise, then cut crosswise into ¼-inch thick slices.

Halve **pepper**, discard stem and seeds, then cut into ¼-inch slices.

Halve **lettuce** lengthwise, then cut crosswise into 1-inch pieces, discarding stem.

2. Cook onions & peppers

Heat **2 tablespoons oil** in a medium skillet over medium-high. Add **onions and peppers**; season with **salt and pepper**. Cook, stirring occasionally, until softened and beginning to brown, about 6 minutes. Continue cooking, adding **2 tablespoons water** at a time as needed, stirring occasionally, until liquid is evaporated and veggies are deeply browned, 4–5 minutes more.

3. Make salad

Meanwhile, in a medium bowl, whisk together **1 tablespoon oil**, **1 teaspoon vinegar**, and a pinch each of **sugar, salt, and pepper**. Add **lettuce** and toss to combine. Divide into serving bowls; place **onions and peppers** over top.

4. Cook beef

Pat **beef** dry.

Heat **1 teaspoon oil** in same skillet over medium-high. Add beef and **2 teaspoons taco seasoning**; cook, without stirring, until well browned on the bottom, about 3 minutes. Stir and continue to cook until cooked through, about 2 more minutes.

5. Make crema & serve

While **beef** cooks, in a small bowl, combine **sour cream**, **¼ teaspoon taco seasoning**, and **1 teaspoon oil**. Thin with **1 teaspoon water** at a time, as needed, until it drizzles from a spoon. Season with **salt and pepper**.

Serve **steak** over **fajita salads** with **crema** spooned over top. Enjoy!

6. Make it a burrito bowl!

If carbs are your thing, make it a burrito bowl. It's a great way to use up leftover grains (like rice) or tortillas.
