

## 20-Min: Stir-Fried Rice Cakes

with Pork, Bok Choy & Mushrooms

ca. 20min

2 Servings

Addictively chewy, rice cakes are the star of many traditional Korean dishes—this one-skillet stir-fry is no exception! We brown the rice cakes before glazing them in a sweet and garlicky sauce along with savory pork, sliced mushrooms, and tender-crisp bok choy. The rice cakes soak up the flavors before we add the final garnishes of sesame seeds and chili-garlic sauce.

### 1. Prep ingredients

Pat **pork strips** dry. In a medium bowl, combine pork with **1 tablespoon stir-fry sauce**, **1 teaspoon each cornstarch and neutral oil**, and **½ teaspoon salt**. Trim ends from **bok choy**, then quarter lengthwise and rinse well under cold water to remove any grit. Cut into 1½-inch segments. Trim stem ends from **mushrooms**, then thinly slice caps.

### 4. Steam

Add **bok choy** and **scallion whites and light greens**; stir to combine. Add **¼ cup water** and cover skillet. Cook over high heat until **rice cakes** are cooked through and chewy tender, and bok choy is bright green and tender-crisp, 2-3 minutes. If still not cooked through and water has completely evaporated, add another 2 tablespoons water, cover, and cook for another minute.

### 2. Cook pork

Finely chop **2 teaspoons garlic**. Trim **scallions**; cut into 1½-inch segments, keeping dark greens separate. Carefully peel apart **rice cakes**. In a medium nonstick skillet, heat **2 teaspoons oil** over high until lightly smoking. Add **pork**; cook, without stirring, until well browned on one side, 2-3 minutes.

### 5. Add sauce

Remove cover and add **pork, mushrooms**, and **remaining stir-fry sauce** to skillet (it's okay if there is a little water remaining in skillet). Cook, stirring frequently, until **sauce** has reduced and glazed everything, 1-2 minutes. Remove from heat. Taste, and season with any additional **salt**, if necessary.

### 3. Brown rice cakes

Add **mushrooms**; cook, stirring frequently, until **pork** and mushrooms are cooked through, about 2 minutes. Transfer to a plate. Return skillet to high heat with **1 tablespoon oil**. Add **rice cakes**; cook, stirring occasionally, until lightly browned in spots, 2-3 minutes. Stir in **garlic**; cook until fragrant, about 1 minute.

### 6. Finish & serve

Stir in **sesame seeds** and divide **rice cakes, pork, and vegetables** between bowls. Serve with **chili garlic sauce** on the side, if desired. Enjoy!
