

Easy Prep! Baharat Chicken Pan Roast

with Feta & Crispy Chickpeas

20-30min

2 Servings

Baharat is a traditional Middle Eastern spice blend made of cumin, cardamom, nutmeg and paprika. Here, we marinate chicken in this robust spice for rich flavor. But the best part of this flavorful meal? It comes together on one sheet pan—easy clean up! We toss tomatoes and chickpeas and roast them alongside the spiced-rubbed chicken. A tangy lemon-garlic sauce and a sprinkle feta over top takes this plate to the next level.
