### 1. Prep veggies

Preheat oven to 425°F with a rack in the upper third.

Finely chop **sun-dried tomatoes**. Scrub and trim ends from **carrots**; halve lengthwise, then cut into 2-inch pieces. Finely chop **1 teaspoon garlic**. Quarter **onion**, then finely chop ¼ cup, leaving remaining wedges whole.

### 2. Start roasting carrots

On a rimmed baking sheet, toss **carrots** with **1 tablespoon oil**; season with **salt** and **pepper**. Roast on upper oven rack, about 5 minutes.

### 3. Season & shape beef

While **carrots** roast, crumble **feta** into a medium bowl. Add **beef**, **sun-dried tomatoes**, **panko**, **chopped garlic** and **onions**, **1 large egg**, ½ **teaspoon of salt**, and **a few grinds of pepper**. Gently knead to combine. Divide into 2 equal-sized ovals.

### 4. Roast meatloaf & veggies

Separate layers of **onion wedges** and add to baking sheet with partially roasted **carrots**, using tongs or a spoon to carefully toss and combine. Push veggies to edges of baking sheet, then place **meatloaves** in center. Roast on upper oven rack until a thermometer inserted into meatloaves reaches 165°F internally, and veggies are tender and browned in spots, 20–22 minutes.

### 5. Make dressing & serve

While **meatloaves** roast, in a small bowl, whisk to combine **2 tablespoons each of vinegar and oil** with **1 tablespoon water**; season with **salt** and **pepper**. Pour **dressing** over **roasted veggies** on baking sheet, tossing to coat. Spoon **some of the pan sauce** from baking sheet over meatloaves.

Serve **meatloaves** with **roasted carrots and onions** alongside. Enjoy!

### 6. Carbo load!

We love a low-carb dinner, but if you're in the mood for a little something extra, mashed potatoes are always a good idea!
