### 1. Cook beef

Preheat oven to 425°F with a rack in the center.

Heat **1 tablespoon oil** in a medium ovenproof pot or Dutch oven over medium-high. Add **beef** and cook, breaking up into smaller pieces, until well browned, 5–7 minutes. Season with **a pinch each of salt and pepper**.

### 2. Add peppers

While **beef** cooks, tear **roasted red peppers** into bite-sized pieces. Finely chop **1 teaspoon garlic**.

To pot with beef, add **roasted red peppers**, **Cajun seasoning**, **½ teaspoon salt**, and **¼ teaspoon sugar**; cook, stirring, until fragrant, about 1 minute.

### 3. Add rice & bake

Add **rice** to same pot and stir to combine. Add **1¼ cups water** and bring to a boil over high heat, scraping up any browned bits from bottom of pot.

Cover pot with a lid or foil; bake on center oven rack until rice is tender and liquid is absorbed, about 20 minutes. Remove from oven and let rest, covered, for 5 minutes.

### 4. Prep garnishes & serve

While **rice** cooks, in a small bowl, whisk to combine **¼ cup mayo**, **chopped garlic**, **¼ teaspoon vinegar**, and **a pinch each of salt, pepper, and sugar**. Pick **parsley leaves** from stems, discarding stems. Fluff rice with a fork. Season to taste with **salt and pepper**.

Serve **Cajun dirty rice** in bowls with **parsley** sprinkled over top and with **garlic aioli** alongside. Enjoy!
