Calories 850kcal, Fat 46g, Carbs 60g, Protein 36g

### 1. Cook potatoes

Peel **potatoes** and cut into 1-inch pieces. Place in a medium saucepan with **1 teaspoon salt** and enough water to cover by 1 inch. Cover and bring to a boil over high heat; uncover and cook until easily pierced with a fork, about 10 minutes. Reserve **½ cup cooking water**, then drain and return potatoes to saucepan. Cover to keep warm off heat until step 5.

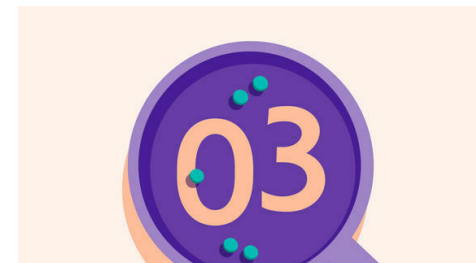

### 2. Season & shape steaks

While **potatoes** cook, in a medium bowl add **beef**, **1 tablespoon Worcestershire**, **1½ teaspoons Dijon mustard**, **1 tablespoon ketchup**, **½ teaspoon granulated garlic**, **½ teaspoon salt**, and **a few grinds of pepper**; stir to combine.

Shape **beef** into 2 (5-inch) steaks. Set aside for step 4.

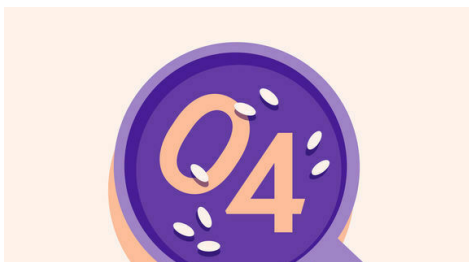

Cut **broccoli** into 1-inch pieces, if necessary.

### 3. Cook broccoli

Heat **1 tablespoon oil** in a medium skillet over medium-high. Add **broccoli**, **a pinch of salt**, and **3 tablespoons water**; cover and cook until tender, 4–5 minutes. Transfer to a bowl; cover to keep warm. Wipe out skillet.

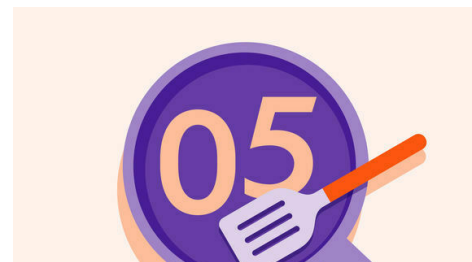

In a liquid measuring cup, whisk to combine **broth concentrate**, **1 tablespoon Worcestershire**, **⅔ cup water**, **1 tablespoon ketchup**, and **2 teaspoons flour**.

### 4. Cook steaks & make gravy

Heat **1 tablespoon oil** in a medium skillet over medium-high. Add **steaks**; cook until browned and medium-rare, 2–3 minutes per side (or longer for desired doneness). Transfer to plates and cover to keep warm.

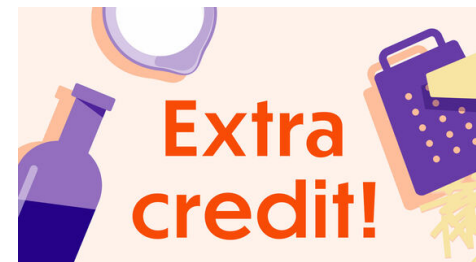

Whisk **broth mixture** into same skillet, scraping up any browned bits from the bottom. Reduce heat to medium, then simmer until **gravy** is reduced to ⅔ cup, 2–3 minutes.

### 5. Mash potatoes & serve

Return saucepan with **potatoes** over medium heat. Add **2 tablespoons butter** and **¼ cup of the reserved cooking water**. Mash using a potato masher or fork; add **1 tablespoon cooking water** at a time, as needed. Season to taste with **salt** and **pepper**.

Serve **Salisbury steaks** with **broccoli** and **mashed potatoes** alongside. Spoon **gravy** over top. Enjoy!

### 6. Make it ahead!

To save time on prep, you can make and shape the patties in step 2 the day before. Wrap them in plastic wrap and keep them in the fridge on a plate until you're ready to cook.
